

Kimball Art Center Scholarship Application

kimballartcenter

Please print clearly. Use one form per student.

Please enclose a letter stating your financial need and/or how the class or workshop at the Kimball would benefit you or your child. This application and letter are all you need to apply for a scholarship. Please do not send artwork.

The amount of the scholarship awarded will be accessed after the scholarship committee has gone over applications. Funding for a scholarship can vary. Students will be contacted by a member of the Kimball Art Center staff if a scholarship is awarded.

Please indicate your first, second and third choices for classes or workshops. The Kimball Art Center takes class and workshop choices into suggestion, although we cannot make guarantees due to class size limits.

■ Student Information

Student Name _____

Application Form

■■ Scholarship Policy:

Scholarships offered at the kimball art center are based on a scholarly and financial need and are accessed per semester. If the Kimball art Center cancels a workshop or class, students have the option to transfer to another workshop or class and apply the amount awarded to it, space permitting. If the student chooses to withdraw enrollment or awarded funding from a scholarship course, then they will loose their scholarship funding. Scholarships cover the cost of class fees; they do not cover materials fees unless materials are included in the classes or workshops.

X _____ I have read and I understand the scholarship policy. (Please initial)
