*Monster Drawing Rally is a fundraiser presented by Kimball Art Center and Park City Summit County Arts Council. The live art-making event allows spectators to spy on the creative process, build relationships with local artists, & grow their art collections.*

The event will be held outdoors at Kimball Art Center's new home at the YARD, 1251 Kearns BLVD, and includes a DJ, food, and a cash bar with cocktails featured by High West Distillery.

We seek volunteers who are outgoing, quick on their feet & are comfortable in a creative and chaotic environment.
